SECTION 2: JUDGING AND AWARDS

CLASSIFICATION

For the purposes of judging, artworks will first be sorted into Art Show versus Art Contest divisions. Each division will then be sorted into age groups and each age group further sorted into media categories. (See “Section 3: Definitions” for more information about the distinctions between these groupings.)

JUDGING CRITERIA

Judges will use a rubric designed to assess the merit of each artwork with the following criteria in mind:

Elements & Principles / Design / Composition: Does the piece show evidence of planning and intentionality? Is the picture plane used effectively? Does the arrangement successfully capture and hold the viewer's eye and interest?

Creativity / Originality / Complexity: Is the concept and subject matter original? Does it appear to be the artist's own work or is it derivative of another artist? Does the piece show imagination? Is the "maker's hand" evident in the work?

Craftsmanship / Skill / Effort: Does the work show an appropriate level of achievement for an artist of this age? What role did the materials the artist used play in the success or failure of the work? Does it appear the student made efforts to minimize the effect of any mistakes or mishaps? Is the attention to detail adequate?

Interpretation and Clarity of Theme (Art Contest entries only): Does it appear the artist carefully considered the contest theme? Is their interpretation of the theme communicated clearly?

AWARDS

Depending on the total number of entries the Kirby receives, up to twenty-four 1st place ribbons, twenty-four 2nd place ribbons, and twenty-four 3rd place ribbons will be awarded for various division/age/media categories. Additionally, up to 8 Gold Medal awards and 2 Best of Show prizes will be awarded.

In addition to awarding student entries, the Kirby would like to reward area art teachers for their commitment to promoting the arts in our community. For more information on how you can win money to support your campus or district's art program, please read the document found in the "Information for Teachers" link on our website.

JUDGING PROCESS

Round 1 Judging: At the first level of judging artworks will be separated by Show/Contest division, age group, and media category. Artists will compete for 1st, 2nd, and 3rd place ribbons. All 1st place ribbon winners (up to 24 artists) will advance to the second round of judging.

Round 2 Judging: Judges will reexamine all 1st place ribbon winning artworks and will select one Gold Medal winner from each age group in the Art Show and one Gold Medal winner from each age group in the Art Contest. Gold Medal winners in grades 6th-12th and Gold Medal adult entries (a total of up to 6 artists) will advance to the final round of judging.

Final Round Judging: Judges will choose one Best of Show winner from among all secondary school Gold Medalists (6th-12th grade) and one Best of Show winner chosen from among all adult Gold Medalists. These two Best of Show winners will each receive \$25 and plaque to commemorate their achievement.
